In conclusion:

There are 741 tracks left to go. When the Wii game is released, that'll add 100+ more songs

Over 1/5th of the way done!

At one song/week, it will take 14.25 years to complete

When did LA get so many tracks? O\_o

\*\*Note: Average means:

avg tracks per OST, avg tracks on each REO, avg completion of albums, avg number of songs remaining
